PRICES All prices in this catalog are subject to change without notice.

SHIPPING We ship using UPS or USPS priority mail both in USA & export out of country offering the lower of costs

e estimated shipping costs for the east coast and central USA only. West coast USA and Canada are higher and charged actual shipping costs. We use both priority mail and UPS, the least expensive way we can!.

Up to \$20.00.....	\$9.00	\$50.00 to \$60.00	\$18.00
\$20.00 to \$30.00	\$13.00	\$60.00 to \$100.00	\$20.00
\$30.00 to \$40.00	\$14.00	\$100.00 or more add 12% excess will be refunded	
\$40.00 to \$50.00	\$15.00		

All orders exceeding these rates will be subject to actual shipping costs. Over payments are refunded. Please add \$12.00 for COD'S. No COD for Canada shipments. Heavy or bulky items are also higher and will be charged actual shipping costs.

SALES TAX All Massachusetts residents add 6.25% for sales tax. All items picked at store also subject to this tax.

PAYMENT We accept money orders, checks, Visa, Master card and Discover.

GUARANTEE All parts guaranteed and will be replaced for 30 days when used as originally intended. In any and all cases we are liable for purchase price of part only.

DAMAGE/MISSING GOODS If merchandise was damaged in shipping or if carton arrives opened, check for damaged and/or missing goods. Notify carrier of any damage at once. Claims must be taken up with the carrier. Keep the goods in the original carton for inspection.

RETURNS Items may be returned for a full refund they have been not been used or damaged within 30 days of purchase. All parts returned must have a copy of the original invoice and an explanation for the return. Parts returned in soiled boxes or packaging will be subject to a 10% restocking fee. Special order items are non-returnable.

FORD SCRIPT PRODUCTS All Ford script products offered in this catalog are Official Licensed Products of the Ford Motor Company by the manufacturer.

Your business is always appreciated!

91A-6500-AJST	As above but set of 16	32-53	195.00 set
91A-6500-AJJB	Adjustable, V8, hollow "Johnson style"	32-53	15.00 ea
91A-6500-AJJBST	As above but set of 16	32-53	240.00 set
91A-6500-AJW	Adjustable tappet wrench	32-53	10.00 set

Valve With Split Guides

91A-6500-AJW

Valve With Solid Guides

COMPLETE VALVE OVERHAUL KIT

8BA-6505/10-KIT	32-53	219.00 kit
-----------------	-------	-------	------------

Above kit, includes (16) each of 8BA-6510 solid guides, 8BA-6505 valves, 40-6512 guide retainers, 78-6513 valve springs, 8BA-6514 spring keepers, 7HA-6518 valve lock key, & (8) 8BA-6571 O-ring seals. Above components also sold separately below

VALVES

B-6505	Exhaust & intake, stainless steel, Model B, 4 cylinder	1932	10.00 ea
11T-6505	Exhaust, & intake 85 & 95 HP, V8, use with split valve guides	32-48	17.50 ea
8BA-6505	Exhaust & intake, 85 & 95 HP, use with solid valve guides *	32-50	7.00 ea

VALVE GUIDES & RETAINER

B-6510	Guide, split type, cast iron, Model B, 4 cylinder, 8 pair req'd... ..	1932	8.50 pr
40-6510	Guide, split type, 85 & 95 HP, V8, 16 pair required	33-53	9.75 pr
8BA-6510	Guide, solid, 85 & 95 HP, V8, 16 required.....	33-53	4.50 ea
40-6512	Retainer, 85 & 95 HP, horseshoe shape	32-53	1.50 ea

VALVE SEAL

8BA-6571-S8	Valve guide seal, set of 8 (used on intake valves & with 8BA 6505 valve guides only).....	48-53	4.00 set
-------------	---	-------	----------

VALVE SPRINGS & RETAINERS

B-6513	Spring, Model B, 4 cylinder	1932	.75 ea
78-6513	Spring, 85 & 95 HP	32-53	2.50 ea
40-6514-B	Retainer, 85 & 95 HP, for split valve guides	32-48	.75 ea
8BA-6514	Retainer, for solid valve guides*....	33-50	1.50 ea
7HA-6518	Valve locks for 8BA-6505 straight valves *.....	33-50	.75 pr

* Note: these items will also fit 51-53 if above valves & guides if purchased as set

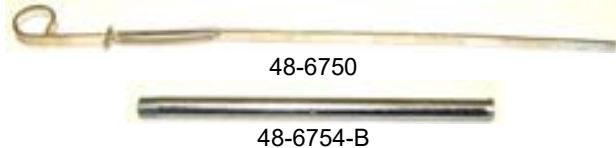

VALVE COVER OIL BAFFLE

48-6524	85 & 95 HP, V8.....	35-48	8.00 ea
---------	---------------------	-------	---------

OIL DIP STICK & TUBE

48-6750	Dip stick, V8, all	35-48	14.00 ea

GENERATOR CUT OUT

Positive ground as original

A-10505-F NO FORD script, foreign made32-39 24.00

VOLTAGE REGULATOR CONVERSION, V8 1932-1939

Looks like original cutout but provides modern convenience of a voltage regulator. Not just a diode but complete conversion to a more efficient voltage regulator. Protects the generator and electrical system from burn out due to overcharging. Adds years of life to generator and battery. Installs easily in minutes without alterations or rewiring.

WIPER MOTOR-COMPACT SIZE

Similar in size to original vacuum motor. Includes wiper arm, wiper blade, washer & material to make bezel. Black housing. Requires ON-OFF switch. Can be used for 1932-36 Cars & 1932-1947 Pickups.

- B-17508-MT-6 6 volt, includes wiper arm with mounting nut & 8 1/4" original style blade 68-17528..... 170.00 kit
 - B-17508-MT-12 As above except 12 volt..... 160.00 kit
 - B-17508-MT-6-D 6 volt, includes wiper arm with mounting nut & 8 1/4" wrist style blade 78-17528-WT..... 180.00 kit
 - B-17508-MT-12-D As above except 12 volt..... 170.00 kit
 - B-17508-SW Push-pull switch for above motors 8.00 ea
- Wrist type blades lock onto arms better than original style. Will not operate tandem wiper set.

B-17508-MT

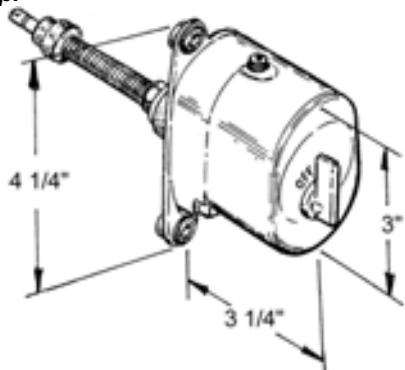

B-17508-SW

REPLACEMENT ELECTRIC WIPER MOTOR

With black housing & built in ON-OFF switch. Requires wiper arm & blade. Larger in size than above compact motors & does not fit behind 1933-1936 header panels.

- A-17508-E6 6 Volt..... 40.00 ea
- A-17508-E12 12 Volt..... 40.00 ea

This motor is machined to accept stock wiper arm part B-17529 or updated universal wiper arm part WT-17529. The shaft is 3-1/4" long and includes instructions for shortening the shaft to 2-1/2". This self parking wiper motor has a 110 degree sweep.

Dimensional for A-17508 electric motors listed above & below

REPLACEMENT ELECTRIC WIPER MOTOR

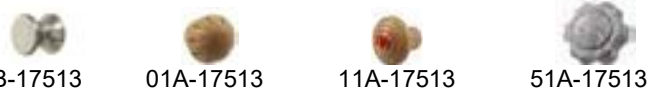

With stainless steel housing, requires ON-OFF switch, wiper arm & blade.

- A-17508-SS6MO 6 Volt..... 45.00 ea
- A-17508-SS12MO 12 Volt..... 45.00 ea

The shaft is 5" long to fit most applications, and includes instructions for shortening the shaft for any particular installation. Other basic dimensions same as above motor shown (less ON-OFF switch.) Includes wiring diagram. Use this self parking motor with any of the universal wiper arms & blades, part WT-17529.

PARKING/TURN SIGNAL LIGHTS (NON-ORIGINAL)

Rod-Lites are the perfect solution for the problem of parking lights & turn signals on street rods or restorations. Rod-Lites can be adapted to fit on bumper braces, front splash aprons and headlight bars. Rod-Lites are die cast & chrome plated for superior quality. They feature slotted stainless steel screws & installed 12V bulbs. The medium Rod-Lites have dual filament bulbs and amber lens for use as turn signals or red lens for use as stop lights. Wires pass through the mounting bolt for a clean Hi-Tech look. See HR-13465-6V for 6 Volt dual filament bulbs.

HR-13302-S	Small, single filament, AMBER lens 1-3/4" w X 1-1/8"h X 1-5/8"d	10.00 ea

Quartz halogen taillight and stop light bulbs

NOTE ABOUT 6 VOLT HALOGEN BULBS

These bulbs require additional output from your cars electrical system. Typically, a generator is not sufficient and an alternator is needed. A consultation with an experienced mechanic is recommended prior to any changeover!

1934

There are two different types of doors, each requiring a different kit. If your inside door handle is located in the front of the door panel, order the kit with F at the end of the part number. If your inside door handle is located toward the center of the door panel, use the kit with C at the end of the part number. These kits include all the special metal and U-shape channels that are felted like the originals with the clips attached, door and garnish molding felt or bumpers, attaching screws and lower cushion bumpers.

FRONT DOOR WINDOW CHANNEL KITS-continued

1935 & 1936 Passenger & 1935-1937 Pickup

One kit services both doors. Made in U.S.A.

There are two different types of doors, each requiring a different kit. If you have a U-shape channel with a rear metal bat wing channel and slots for rubber bumpers on the door and garnish moldings, order the kit with A at the end of the part number. If you have felt material (cat whiskers) all the way around the window on the garnish molding and door, order the kit with a B at the end of the part number. If you do not have any existing original channels, the best kit to use is the B kit. These kits include pre-bent door and garnish molding felt or rubber bumpers, all the special metal channels that are felted like originals with the clips attached and attaching screws.

48-45983-5W/4DB

OPTIONAL STAINLESS STEEL BEAD

1932-1942 passenger and 1932-1947 pickups originally had a black bead on the edge of the channels and cat whiskers, our kits are made just like the originals. Kits may be ordered with a stainless steel bead in place of the black bead for an additional \$10.00. To order add **-SS** to the end of the part number. Note: 1946-1948 passenger and 1948-1952 pickups already come with stainless steel beading as original.

FRONT DOOR WINDOW CHANNEL KITS-continued

One kit services both doors. Made in U.S.A
1937-1940 Passenger & 1938-1941 Pickup

1937 – 1939

Includes the pre-bent one sided felt (cat whiskers), felted lower metal channels with clips attached, upper felt seal and installation screws. For customers wanting the original snap in clips used on the cat whiskers, order a separate clip kit part number 48-703536-A for the clips on the door body and 48-703536-B for the clips on the garnish molding.

FRONT DOOR WINDOW CHANNEL KITS-continued

One kit services both doors. Made in U.S.A
1941-1948 Passenger & 1942-47 Pickup

1941-42 Passenger & 1942-1947 Pickups

The lower guide channel below the vent window has two variations. If you have the flat bracket with slots, use the kit with A at the end of the part number. If you have an angled bracket with threads use the kit with B at the end of the part number. Kit includes pre-bent one sided felt (cat whiskers), lower U-shape and metal channels, side straps, upper felt seal and installation clips. All 1941-1942 kits have a black bead on the cat whiskers as original. Order the vent window edge seal separately, 11A-7022296 for closed cars and 11A-7022296-A for convertibles. These 1941-1942 passenger car kits also fit Mercury.

Slotted holes

Threaded holes

INSULATION ROLLS

These insulation materials have reflective aluminum foil. Rolls with jute or fiberglass insulation (HR-700770 or B-5010-FG) ideal for use in firewalls, kick panels, rumble seat panels & under carpeting. Rolls with polyethylene bubble (SR5010-5) can also be used in these areas but especially recommended for doors or below roll down windows.

HR-700770	Jute padding material, rated R3 (700 f resistance). Foil bonded one side. Requires adhesive for installation. 48" wide x 72" long x 5/16" thick.....	35.00	ea
B-5010-FG	Fiberglass padding material. Aluminum Foil bonded one side. Adhesive back. 40" wide x 96" long.....	45.00	roll
SR-5010-5	Polyethylene bubble film sandwiched between two layers of aluminum foil. (180 f resistance). 48" wide x 72" long x 1/4" thick. Requires adhesive.....	25.00	roll

HR-700770 / B-5010-FG

FOIL INSULATION SHEETING

This insulation used inside doors, floors or behind headliners. Works great at insulating from heat, cold and sound. Wear resistant and waterproof. Layer include foil, tar saturated type pad and adhesive backing.

B-5010-F	36" wide x 50" long, by Drake.....	ASK
DYNAMAT	18" X 32" sheet, Xtreme brand.....	ASK

DYNAMAT

BODY INSULATION SHEETING-WAFFLE PATTERN

Exact waffle pattern as original. Tar saturated water resistant material. Used for insulating many areas of the inner body including the trunk lid. Works great on hushing road noise and vibrations. Can be shaped to fit with a heat gun.

B-5010-F30	3/32" thick x 3 ft wide x 8 ft long.....	90.00	roll
B-5010-F31	1/8" thick x 3 ft wide x 8 ft long.....	100.00	roll

BODY INSULATION SHEETING

Tar saturated water resistant material. Used for insulating many areas of the inner body.

B-5010-F30-P	1/16" thick x 3 ft wide x 8 ft long.....	12.00	roll

FRAME REPAIR COMPONENTS

COMPLETE PICKUP BEDS

These pickup beds are available either assembled or as an unassembled kit. 1932-37 unassembled kits have no instructions and require auto body experience along with an original bed to be used as a pattern for assembly. 1938-47 beds do have assembly instructions.

Included are all components for a complete bed except for the lower bed sides and mounting hardware (available at extra cost). All beds supplied with oak wooden bed floor and plain steel bed strips & hardware (stainless optional). Beds also available with stock steel floors, please inquire if additional charge is needed.

Available either with or without stake pockets holes and some beds welded instead of riveted. Please call for shipping costs and delivery times.

Part No	Unassembled Kit	Part No	Assembled Unit
1932BED-U	2,200.00	1932BED-A	2,800.00
3234BED-U	2,200.00	3234BED-A	2,800.00
3536BED-U	2,200.00	3536BED-A	2,800.00
1937BED-U	2,200.00	1937BED-A	2,800.00
3841BED-U	2,200.00	3841BED-A	2,800.00
4247BED-U	2,200.00	4247BED-A	2,800.00

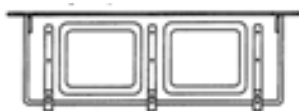

Above bed strips & hardware are plain steel. For stainless strips and hardware add \$230.00 and -SS to part no.

Add \$125.00 crating charge to above prices. Shipped by truck freight & cost provided upon request.

Typical Bed Flooring Kit

CUSTOM FLOOR WOOD KITS

All late 1931-1950 Fords came with a steel bed floor. However we offer an alternative kit which has oak wood and metal bed strips. These include special spacers, bolts and brackets which make it appear to be factory, and it's more economical than restoring to original. When ordering, specify year bed.

CFWK-P	Kit with <u>plain</u> steel bed strips and hardware	31-50	330.00	set
CFWK-SS	Kit with <u>stainless steel</u> bed strips and hardware	31-50	395.00	set

PLEASE CALL FOR DELIVERY TIME AND SHIPPING COSTS OF ABOVE WOOD FLOOR KITS

METAL BED STRIPS & HARDWARE

These bed strips come without mounting holes and are easily drilled and cut to length. Available in 2 different lengths in either plain or stainless steel.

A-66603	Plain steel, 79" long (1/2 ton).....	13.00	ea
A-66601	Plain steel, 97" long (3/4 ton).....	15.00	ea
A-66604	Stainless steel, 79" long (1/2 ton)	18.00	ea
A-66602	Stainless steel, 97" long (3/4 ton)	21.00	ea
A-55403	Mounting bolts for above strips, stainless steel, 1/4" X 2" long (nuts & washers not incl) .	1.25	ea

Note: Above Bed strips are subject to a UPS oversize shipping charge of \$25-\$35 (set of 5) whether drop shipped or picked up at our store.

BED FLOORING BOLT SETS

Holds the metal floor covering to the subrails underneath.
